# Being the Lighthouse on My Street

A gentle light for your neighborhood

*Matthew 5:16*

*Let your light so shine before men,*
*that they may see your good works,*
*and glorify your Father which is in heaven.*

Peace over our street

Warmth in every home

Safety for every child

**A prayer for the Neighborhood:**

Lord, thank You for placing me right here on this street, among these homes and families. Help me to be a quiet, constant beacon of Your love and grace right from my front porch. Grant peace over our street, warmth in every home, and safety for every child. May Your presence fill our neighborhood with peace, light, and unspoken joy. In Jesus' name, Amen.
